iSolved | Time

A built-in, robust time and attendance solution that's ready to go in iSolved

iSolved | Time is now a **100% native part of the iSolved solution.** Turn it on today and take the hassle out of collecting, tracking and reporting time.

If you're using a third-party solution to manage your time and attendance, you need to see what a difference iSolved | Time can make. It's fully native to iSolved, which means no more exporting, importing or duplicate data entry. All of your time tracking needs are managed right within iSolved. Here are just a few of the benefits of this new solution:

- **New graphical calendar time card**
- **Can drag, move, copy and change time**
- **Easy allocation of hours**
- **Daily, weekly or pay period view**
- **Time card alerts**

- **Single screen view with hours totals and earning codes**
- **Labor fields**
- **Only setup data once as everything is from one data source**
- **See earnings codes on check stubs**

- **"Rules Driven" approach to earning codes** (don't have to maintain earning code mapping from time to payroll)
- **Easy payroll closing at the click of a button in just minutes**
- **Jump to any pay period**
- **Simple, fast and efficient**
