Applicant Tracking

Easy-to-use, powerful applicant tracking software for small and medium-sized employers
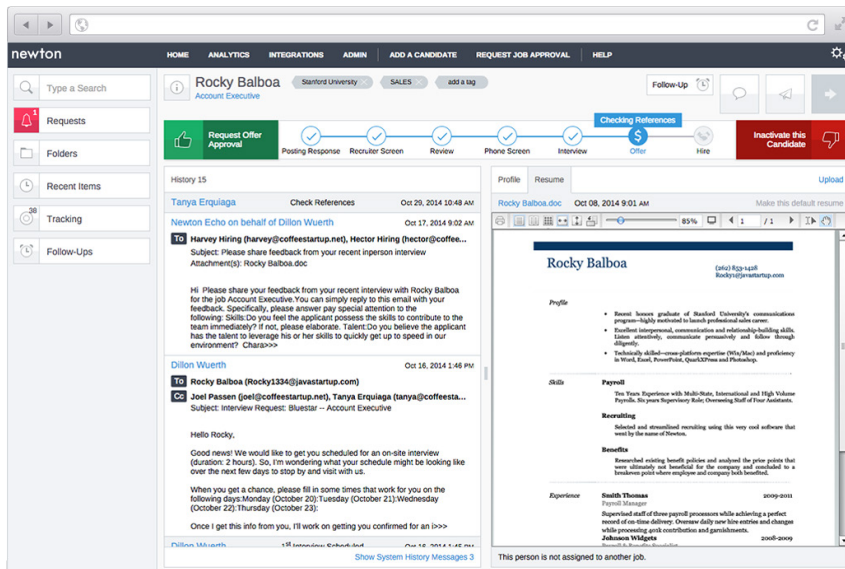

✔ SIMPLE

- Activation measured in hours and days
- No IT support required
- Great applicant experience, fully-branded career pages

🤝 SMART

- Industry leading user adoption rates
- Works how recruiting works from day 1
- Intuitive
- Powerful interactive analytics

$ SAFE

- Affordable, flexible pricing and commitment levels
- Free dedicated support
- Compliance features provide recruiting insurance
- Fast and secure
- cloud-based

When you choose our Applicant Tracking solution, you've selected the most modern, fully-featured applicant tracking software available. It is completely web based and built on an open technology platform that's hosted securely in the cloud (SAS 70), coupled with award winning, best in class interface.

Get up and running with your ATS in no time. And stay that way. Call **978-599-1500** for an **ATS Demo.** Get ready to make your work life better!

The ONLY ATS designed to improve the process of hiring people.
We understand that recruiting is a linear business process defined by a series of YES and NO decisions and from day one our system is configured to drive these critical decisions.

With our Applicant Tracking Solution, you will not spend weeks customizing the recruiting process!
