

Mission Driven

Our mission? To save you time and money so that you can focus on yours!

We know how important your mission is to you and your organization. Our all-in-one, user-friendly software for non-profits simplifies your payroll and HR tasks, saving you time and money that you can devote to your cause.

Technology

We offer the latest HR tech platform that automates and streamlines even the most complex payroll and HR needs.

Human Touch

Technology with that human touch. You'll have a dedicated person who knows and cares about your organization and will help put our tools to your best use.

Employee EX

Empower your employees with online recruitment, onboarding, access to paystubs, learning and collaboration tools & more.
