Payroll & HR

Shaun Fowler
Account Manager,
isolved

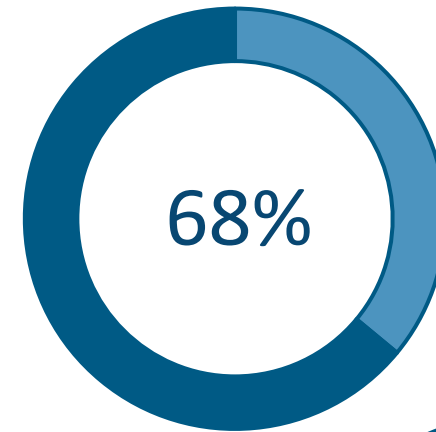

Dave Braby
Solution Consultant,
isolved

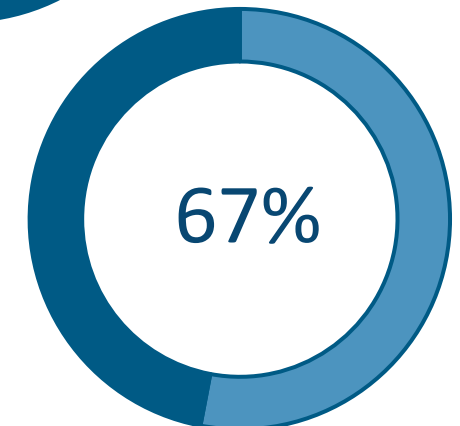

The Situation

Employee learning continues to be a growing benefit as skilled credentials are increasingly valued—from training and course completion certificates to industry or professional certifications.

68% of respondents say they would be more likely to **stay with their current employer if more upskilling opportunities were provided**

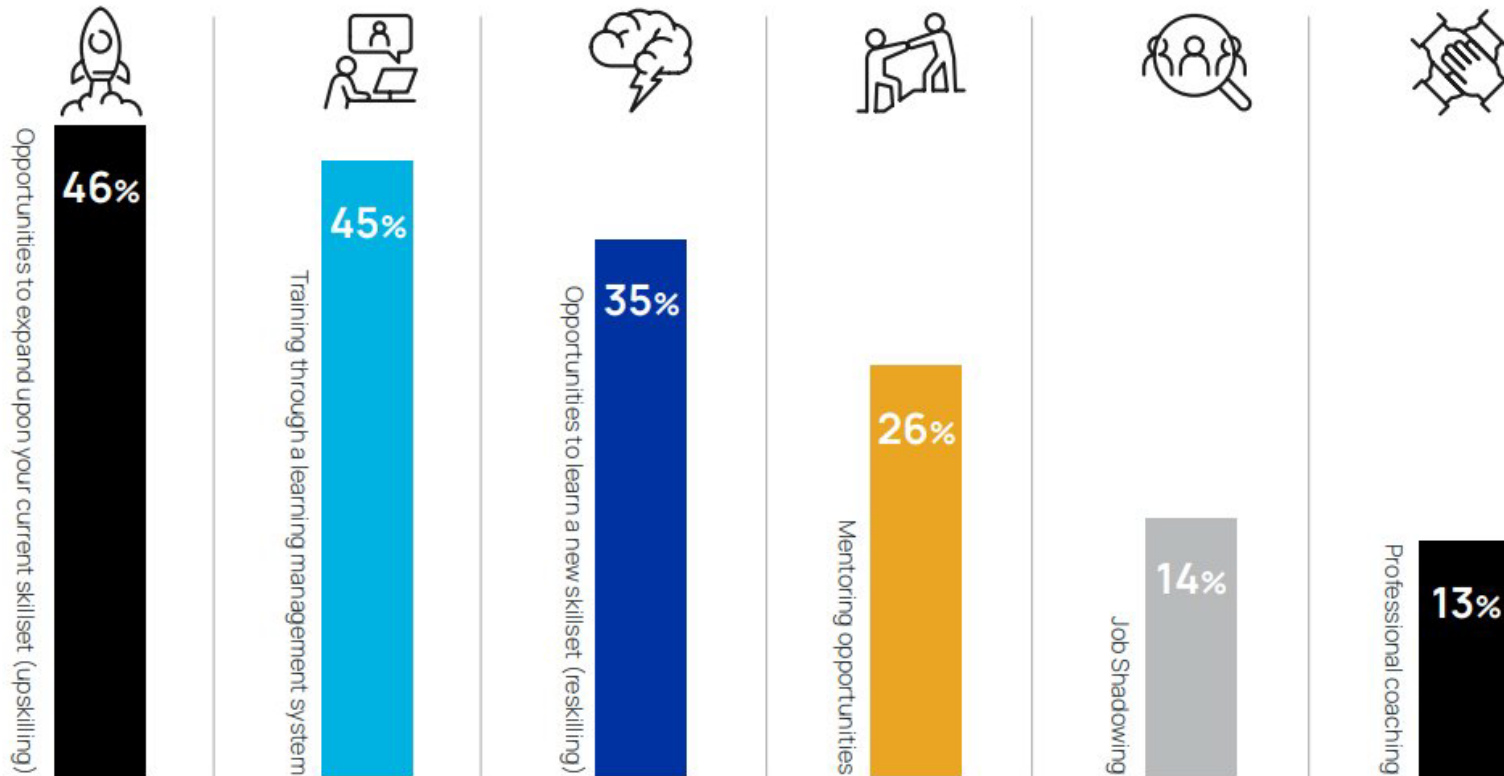

67% of employees say learning and development is an important interest to them, **ranking it top 5 in major employee benefits categories**

The Situation

When asked **what type of support their employer provided for their career growth and professional development**, employees said:

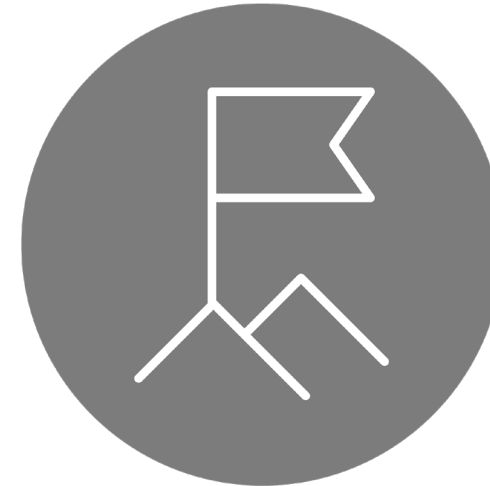

Organizations that invest in employee experience have more than 4x the profit and 2x the revenue. And employees that experience higher engagement levels outperform their peers 147% in EPS.¹

The Solution

Streamline employee learning to boost productivity and engagement with isolved Learn & Grow

isolved Learn & Grow makes learning more accessible to everyone on your team. Bring together learning in one LMS platform that is part of your HCM solution — delivered anytime, anywhere.

Learn & Grow

Features & Benefits

Source, create and deliver educational content and training programs to your employees wherever they work.

CAPABILITIES

- Comprehensive dashboards and reporting
- Personalized and configurable curriculum
- SCORM compliant courses
- Social learning tools and gamification elements
- Training recommendations to enhance employee learning experience
- Robust and inclusive Content Library

BENEFITS

- **Gain productivity:** encourage employees to grow personally & professionally
- **Improve retention:** keep employees engaged and happy with continuous learning opportunities
- **Ensure compliance:** transform the way your employees learn while meeting regulatory requirements
- **Increase engagement:** reward and recognize employees with digital merit badges and certifications

A man in a maroon shirt is pointing at a whiteboard covered in sticky notes. He is holding a smartphone in his left hand. A group of people, including women in business attire, are looking at him and the whiteboard. The scene is set in a bright office environment with large windows in the background.

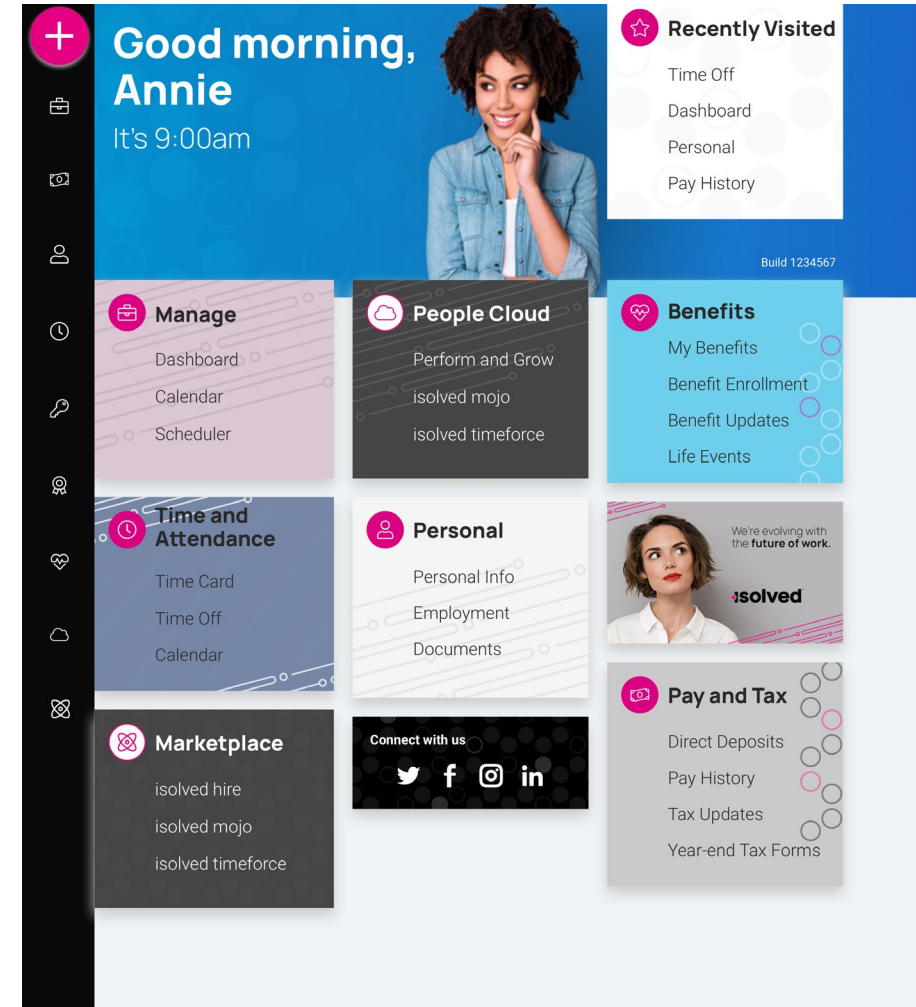

DEMONSTRATION

isolated People Cloud

Futureproof, Intelligently Connected HCM

With isolated's innovative technology,
you remain competitive in the
marketplace:

- ✓ Modern, responsive web design
- ✓ True multi-tenant database
- ✓ Bi-weekly release cycle
- ✓ Continuous Product Development
- ✓ Industry, market & compliance Updates
- ✓ Competitive updates

The screenshot displays the isolated People Cloud dashboard for a user named Annie. The interface is clean and modern, featuring a dark blue header with a navigation menu on the left. The main content area is divided into several sections:

- Header:** "Good morning, Annie" with a greeting and the time "It's 9:00am". A profile picture of Annie is shown on the right.
- Recently Visited:** A list of recently visited pages: Time Off, Dashboard, Personal, and Pay History.
- Manage:** A section with a pink icon, containing links for Dashboard, Calendar, and Scheduler.
- People Cloud:** A section with a dark blue icon, containing links for Perform and Grow, isolated mojo, and isolated timeforce.
- Benefits:** A section with a light blue icon, containing links for My Benefits, Benefit Enrollment, Benefit Updates, and Life Events.
- Time and Attendance:** A section with a dark blue icon, containing links for Time Card, Time Off, and Calendar.
- Personal:** A section with a white icon, containing links for Personal Info, Employment, and Documents.
- Marketplace:** A section with a dark blue icon, containing links for isolated hire, isolated mojo, and isolated timeforce.
- Pay and Tax:** A section with a grey icon, containing links for Direct Deposits, Pay History, Tax Updates, and Year-end Tax Forms.

A vertical navigation bar on the left side of the dashboard contains various icons for navigation. A small "Build 1234567" version number is visible in the bottom right corner of the dashboard.

Questions?

Thank You!

Whether you have a question or want to learn more, we are happy to speak with you.
