The Situation

There are **3 top major hiring challenges** keeping recruiters up at night...

1. Lack of qualified candidates
2. Ever-increasing competitive talent landscape
3. More open roles to fill

92% of HR leaders plan to ramp up their use of **automation** in at least one area of **talent acquisition** and **people management**.

The Solution

With isolved **Attract & Hire**, you can **seamlessly manage every stage of the recruiting process** from attracting candidates to screening, interviewing, selecting, and ultimately hiring.

You can streamline hiring by...

- Leveraging tools that source **active and passive candidates** into talent pools
- Automating **manual tasks**
- Making **informed hiring decisions** using key metrics to better understand hiring needs and candidate fit
